

IN THE FEDERAL DISTRICT COURT IN/FOR SOUTH DAKOTA

IN RE: SD Case# 19-4282

THE STATE OF SOUTH DAKOTA, INC

v.

Christopher William, The Living Man  
"Alleged" Defendant

NOTICE OF INTENT TO FILE  
WRIT OF HABEAS CORPUS CONCERNING A WRIT OF HABEAS CORPUS

1. The claimant was arrested by the Minnehaha sheriffs on 6/6/19, and has been wrongfully and unlawfully incarcerated there for over a month.
2. An extraordinary writ was filed in this court the NEXT Day, and an amendment was filed just a couple days after that, along with a change of address, so that claimant would receive ALL of the court documents for both this matter, and for 19-4096 — a civil suit also filed here, to which this incarceration is related.
3. The claimant has heard nothing nor received anything concerning either matter. This claimant is a victim of retaliatory actions involving his false imprisonment, and SERIOUS violations of and a conspiracy against his rights, and, due

to a very unreasonable and unjustified high \$50,000 cash only bond (for a single low level 6 felony **CHARGE**); the claimant has no chance to be innocent until proven guilty.

### CONCLUSION

This habeas corpus, filed a month ago, is an extraordinary writ that is allegedly supposed to be addressed by this court **IMMEDIATELY**, since it concerns an unlawful arrest and incarceration of this claimant for no justified purpose.

It is my notice and intent to file a writ of Mandamus in the appellate circuit court, should no action be taken concerning this matter within 10 days of the mailing of the notice.
